The Year Is Moving Fast

The holiday season is over once again for another year, and we are now back into the normal swing of training classes. Its been great to catch up with everybody over the last month to see what you have all been doing over the holidays.

Many of you have been inspired by Tim and Michael's grading last year and have asked for your own challenges. Thank you for your inspiration and good luck to you all in achieving your goals by the end of the year.
