## Partner Spot Light: Photography Creations – Stephen Nathan

This is a new addition to our newsletters to support our loyal partners who have been invaluable in supporting NMAA over many years. In many cases our partners are also members of our club, as is the case with this months spot light of Stephen Nathan who is the man behind Photography Creations.

Stephen was easy to spot in last December 2009 Demo day, he was the man with the camera taking photographs of the day's proceedings and the results of his work can be seen by clicking on the link above. Stephen does excellent work and can provide his expertise to all our members and their families for an exceptional result. Don't forget to mention you're a club member and Stephen will look after you.

To find out more about the work that Steven can do for you, go over to his website called [Photography Creations Websyte](#) and have a look through the range of the sample photos there.
